

Rainbow Jelly

10 portions

Ingredients

Supalite Raspberry Jelly	0.005gr
Supalite Orange Jelly	0.005g
Supalite Greengage Jelly	0.005gr
Supalite Pineapple Jelly	0.005gr
Water	0.800ml
Cream Whipped	0.050ml

Method

1. Mix each of the jellies with 100ml of boiling water and mix thoroughly.

Add another 100ml of cold water to each and mix well. Let cool. In the colour order that you want, pour the first one into a glass or container of choice and place in fridge to set. Once set, pour the next colour of jelly over and place in fridge to set. Do the same with the remaining two till all jellies are set in colour co ordinance needed.

2. Whip cream and serve with jelly as needed.
